

OUR PARISHES' GENERAL COVID-19 RESPONSE

Father Tappe will continue to celebrate Mass each day (without a congregation) for the published intention.

Please check back often for information about how we will continue to offer confessions.

Fr. Tappe will continue to celebrate the Sacrament of the Anointing of the Sick for all who request it.

Funerals, weddings and baptisms will also be celebrated.

Parishioners are encouraged to keep their Lenten disciplines of prayer, fasting and works of mercy.

Parishioners are also encouraged to watch the Mass on television if possible and to make a spiritual communion with Our Lord on Sunday by spending some time in prayer and private adoration.

Beginning Saturday March 14 all events and meetings at the parish are cancelled until further notice.

At this time the parish office will be open regular hours, Monday through Friday 9am to 2pm, so that our Food Pantry can continue.
